MATERNAL / INFANT CARE

EME
Quality Medical Products, Competitively Priced

VETERAN OWNED QUALITY MANUFACTURER

QUALITY YOU CAN TRUST.

As a veteran owned company, we are proud to manufacture products at our own facility in the USA. Our products are held to the highest quality standards and are manufactured for direct sales. We also offer OEM products for distributors, equipment manufacturers and IDNs. High quality at an economical price—it's what we do every day.

TOUCH. FEEL. BELIEVE.

The only real way to understand the difference in EME quality is to hold a custom Holter/telemetry pouch, ice bag, infant cap, or fetal belt in your hand. With one touch you'll understand why customers across the nation choose EME and never go back. We'll gladly send you a sample today!

When it Comes to the Highest Quality Maternal/Infant Care Products, We Deliver.

EME is proud to offer a full line of high-quality, affordable maternal and infant products all of which are latex free. Many of our products, like our infant caps, ice bags, fetal belts, and circumcision straps are manufactured in house and showcase the craftsmanship and commitment to quality that is our trademark. Nurses that touch and compare our infant caps immediately understand the gentle, soft feel that is not only more comfortable, but supplies additional warmth to our tiniest end customers.

At EME Company, we pride ourselves on continuous attention to detail in our entire supply chain, from manufacturing to vendor performance, distribution and after-sale service.
